It is the goal of Iowa Future Problem Solving to have accurate and helpful evaluations for teams, individual competitors, and their coaches. Please respond to the following questions.

1. How helpful was the feedback provided by the evaluator?

A. When credit was not given for a possible problem, solution idea, or criteria, did the evaluator clearly explain the reason?

B. Did the evaluator explain the scores given for the underlying problem and action plan?

C. If this is a practice packet, did the evaluator provide examples or make suggestions to show how improvements could be made? _____

2. Was the evaluation accurate?

A. Was the evaluation consistent with “FPS Key Tips” or other information you have received from the Future Problem Solving Program? *If not, or if you are not certain, please provide a copy of the student work and the evaluator scoring and comments.* Please ask questions or explain your concern here.

3. Please list any additional comments or praise.

Thank you! By completing this form, you help improve the Iowa FPS Program.
